

TESTER'S 2022 HIGHLIGHTS

1 HONORING OUR PROMISES TO VETERANS

Spearheaded passage of the PACT Act and a number of other new laws to deliver our nation's veterans their hard-earned care and benefits more effectively.

SLASHING PRESCRIPTION DRUG PRICES

2

Took action to reign in skyrocketing prescription drugs prices, requiring Medicare to negotiate prices down and capping out-of-pocket costs for seniors.

3 DEFENDING OUR NATIONAL SECURITY

Worked as Defense Chairman to pass a full federal budget that maintains our military's edge, gives our troops a pay raise, and strengthens rural America.

SUPPORTING POLICE AND PUBLIC SAFETY

4

Secured increases in resources for Border Patrol and border security operations, anti-drug trafficking efforts, and local and Tribal law enforcement agencies.

5

BOOSTING AMERICAN MANUFACTURING JOBS

Passed the CHIPS Act to bring jobs back home from overseas and ensure we are no longer reliant on adversaries like China for essential tools and technology.

STANDING UP FOR MONTANA PRODUCERS

6

Directed federal resources to Montana to expand local meat processing capacity; Protected producers from the Administration's proposed "climate disclosure rule."

7

PROTECTING THE POSTAL SERVICE

Reached across the aisle to pass the Postal Service Reform Act, putting the USPS on firm financial ground so Montanans can continue to rely on their mail delivery.

LISTENING TO YOU

Resumed public, in-person town halls across Montana after going virtual during the pandemic; Welcomed Montana students and advocates back to the Capitol.
